

SILOTANK

Chemical Fill Station

Silotank Chemical Fill Station is suitable for chemical applications where safe off loading of chemical is required. These units are designed around the requirements of our customers and can either be designed as stand alone units, mounted on the side of the tank wall or mounted above the bund on the smaller mini tank bunded range.

Benefits

- Lockable for secured only access by site attendant or delivery driver.
- Available with different connections.
- Can be single or multi units.
- Chemical Spillage Containment.

Options:

- Solid or Clear Panel in door
- Integrated bund
- Bund drain
- Pipe work
- Stands
- Mounting Brackets
- Sensor Flanges
