Thank you for your email dated 14 August 2019, setting out the background concerning the changes to the Instructions for Use document for this product.

We understand that no other changes are being made to this product or to the appropriate Instructions for Use documents. On this basis the proposed changes can be accepted for use in public water supplies.

A copy of your correspondence, together with the accompanying documentation, has been placed on file for future reference. A note of our acceptance of this change appears in Annex 1 table 1.9 of the next edition of the List of Approved Products for use in Public Water Supply in the United Kingdom.

An updated approval has been issued with this letter.

Yours sincerely

Brenda Caymen
Inspector
